COMPLIANCE CHECKLIST
to ANNEX VII to CEMAC Implementing Rule N° 681/CEMAC/C/P/REX-PEL
CMR.PEL.FORM.401

Compliance List for Approved Training Organisations (ATO)

Date: 6/3/2026

Issue/Revision: 01 / 00

The Compliance List shall be tailored for each individual part of the relevant manual system. For a revision of a part of the relevant manual system, the Compliance List shall be filled according to the affected paragraphs. Send the filtered Compliance List together with the form CMR.PEL.FORM.400 and the respective relevant manual to : Cameroon Civil Aviation Authority, Aviation Safety Department, Personnel Licensing office eMail: licensing@ccaa.aero

INSTRUCTIONS FOR COMPLETION

This Compliance List shall be completed by the applicant and submitted with the applicable application form CMR.PEL.FORM.400, manuals and supporting documents. It is intended to demonstrate compliance with the applicable regulatory requirements and to facilitate their assessment by the CCAA.

The applicant shall:
- review each regulatory requirement and determine its applicability to the organisation and the scope of approval applied for;
- indicate "N/A" where a requirement is not applicable and provide a brief justification where necessary;
- for each applicable requirement, identify the manual or controlled document in which compliance is demonstrated (TOEM, OM, TM, training programme, procedure, etc.);
- provide the exact chapter, section or paragraph reference where the relevant provision can be found. General references to a manual or chapter are not sufficient;
- where compliance is demonstrated in several documents or paragraphs, provide all relevant references;
- for amendments to an existing approval or manual, briefly describe the relevant modification in the "Highlights of Changes" column.

Example of an acceptable reference: Manual: TOEM, Chapter : § 3 – Safety Manager; Reference : § 3.4.2 – Safety Risk Management Process

The columns "CCAA Assessment" and "CCAA Remarks" are reserved exclusively for the CCAA.

For a revision or amendment, the Compliance List may be limited to the regulatory requirements affected by the proposed change, provided that all affected requirements are clearly identified.
